**Behavioral Expectations for Bus**

The privilege of any student to ride a school bus is conditional upon his/her good behavior and observance of the rules and regulations set forth by the local Board of Education and Kentucky law. All students shall conduct themselves in a manner conducive to the safe transportation of all.

The following list represents the expected behavior of students related to the privilege of riding the bus:

1. Students shall obey the driver's instructions. The driver of a bus is in complete charge of students while they are on the bus.
2. Students shall follow bus procedures and remain properly seated at all times.
3. Students shall remain safe keeping head, arms, and legs inside the bus; extending body parts outside of bus is extremely dangerous.
4. Students shall be respectful of people and property on the bus (i.e., no fighting, profanity, loud disturbances, and destruction of property).

***I have read and understand the rules and regulation regarding student transportation as outlined above and I the MISD Code of Acceptable Behavior. The Code of Acceptable Behavior contains more in-depth information regarding the responsibilities and behavioral expectations of all bus riders.***
